

David and Goliath

Find the story of David and Goliath in a Story Bible or in 1 Samuel 17

Who helped David win?

What did David throw?

We might not see a big giant coming towards us but there are other things that might seem big and scary. David trusted that God would be with him and help him defeat the giant. We can trust that God will be with us too and help us with the things we find big and scary.

Activity

Let's make David and Goliath puppets!

Use the cardboard tube from a toilet roll and a kitchen roll or make your own from paper. Draw David on the short one and Goliath on the taller one. Decorate however you like!

Game

David had very good aim!

Find a bucket and some soft balls or things to throw (It is dangerous to throw stones so we won't do that) How many can you get into the bucket?

Game

Bowling! Stand the puppets up that you made and see if you can knock Goliath over!

Goliath was really really tall!

How tall are you?

If you step on tip toes how tall are you?

How small can you make yourself?

Song

King of Me- Rend Collective

There is a fun video with this song

Prayer

Dear God

Thank you that you are bigger than any giant scary thing we face and that we can trust that you will be with us. AMEN
