

In Search of Christmas...Nativity Trail!

Welcome to the Nativity trail! There are 7 clues for you to find on this trail. Some of the posters will have QR codes for you to scan which will give you clues to help you crack a code and unlock a video! Other posters just have the picture of a nativity character for you to find. Can you find them all? Watch the introduction video on our website before you begin.

Here are some directions for you to follow. You will still need to look really hard to find them though. Are you ready? Let's go!

Your trail begins in the Priory at the notice board. Can you find the star?

Cross over the road and your next clue can be found in St Mary's church grounds.

The next stop on this trail is Aves to find Mary and Joseph.

Add a bit of sparkle to your Christmas. Head to Sparkles of Ware for your next clue.

County Lettings is your next stop on this trail. What can you find?

The next stop is Café Frappe. Can you find the cow?

You have a little bit of a walk now, head in the direction of Sainsbury's and keep walking until you find Elliot Heath. You will find your final clue here to crack the code and unlock the final video.

Why not wait and watch the final video at your final stop which is at Christ Church, New Road.

I wonder what you will find there?

Well done! You've finished the trail and found all the characters from the nativity!

Happy Christmas!
