

The Farmer and the Seeds

How many seeds like this one can you find on this page?

Seeds

What happened to the seed that landed on good soil?

Read

Find today's story in a Story Bible or in Mark 4:1-20

When we listen to what Jesus says, and if we remember his words and love him, we are like good soil where good things can grow!

Activity

Go outside and see if you can find the 4 different areas mentioned in the story?
Find a path, a rocky area, weeds/thorns and good soil.

Activity

Breakfast cereals are made from seeds.
If you have cereal with holes in, thread it onto some string (or you could use spaghetti) to make a necklace. Not got any cereal with holes? Sit and eat a bowl of cereal and think about the story.

Activity

Plant a seed and watch it grow! As you care for it and wait patiently for it to grow remember we want to be like good soil.

Song

What is your favourite song to sing praises to God?

Play the song now and sing and dance along!

Prayer

Dear God
Please let my heart be good soil for you to grow in.
Amen
