

# The Good Samaritan

How many donkeys can you find on the page?

Who is your neighbour?

Find today's story in a Story Bible or in Luke 10:29-37

In this story Jesus wanted to teach us to treat everyone kindly. Anyone in need is your neighbour. We should help anyone who we can see needs our help. Even if it is someone that we really don't get on well with.

## Activity

Draw around your hand or foot. Write 'I can be God's hands/feet by....' Think about what you can do to help people in need and write these down. Decorate the picture in any way you like and stick it up somewhere to help you remember.
