### **Before attending:**

- Please bring your own:-
  - baby wipes,
  - nappies,
  - nappy sacks,
  - drinks as required as we are not permitted to serve refreshments at this time.
- Please be aware that windows and doors will be open to ensure adequate ventilation. The heating will be on but you may need extra layers of clothing on cold days.
- Please familiarise yourself with the latest government guidance surrounding social distancing, face coverings and permitted interaction.

### **On arrival:**

- Please maintain social distancing on arrival and queue if necessary.
- Buggies should not be brought into the centre. If your child is asleep there is no need to wake them, please seek guidance from a helper.
- Please use hand sanitiser on your way in to the hall.
- You should sign in to Test and Trace using the NHS app/QR code or one of our team will record your attendance.
- To minimise the risk of spreading infection, guests should only bring necessary items in to the building with them.

### **During the session:**

- Please remember the basic hygiene rules such as 'catch it, bin it, kill it', washing hands for 20 seconds after going to the toilet.
- If you or your child feel unwell during a session you should go home immediately, letting a helper know.
- Face coverings are mandatory for all adults unless you are exempt.
- Interaction between more than 2 households/6 individuals is currently not allowed inside.
- Please take any dirty nappies home.
- If you have forgotten anything please ask a helper.
